Move-ups Before the Trial

Move-ups as a result of titles earned after entries close must be submitted in writing or email so that the Trial Secretary receives them by **6:00 PM MDT on Monday, March 31**. Include the dog's call name, owner's name, class dog is moving from, and class dog is moving to (HINT: replying to your final CONFIRMATION EMAIL is an ideal way to complete a move-up). If you do not receive acknowledgement of your move-up request within 24 hours of sending, please contact the TRIAL SECRETARY to make sure that it was received. No phone move ups accepted.

Jump Height Divisions

Please check the box on the entry form so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*.

All dogs competing must have a valid AKC Jump Height Card OR must be measured by the judge of record prior to running. It is the exhibitor's responsibility to have the dog measured. Failure to do so will result in the cancellation of any qualifying scores. The exception to this requirement is a dog entered in the 24" jump height division. If a Volunteer Measuring Official (VMO) or an Agility Field Representative is present; ALL dogs without a valid Jump Height Card (including those entered in the 24" jump height division) must be measured during the trial or cluster of trials.

Regular Class	Measurement	Preferred Class

SECTION 3: TRIAL DAY

Building Hours and Crating

Indoor crating space is available on rubber mats over dirt. Please take only the space you need. Ex-pens may be used only if they house multiple dogs. On Friday, the building will be open for exhibitors at 6:30 AM

Course maps, walk-throughs and warm-up jump

Exhibitor copies of course maps will be posted. Judge's briefing and course walkthroughs will occur prior to each class. Each walkthrough is restricted to handlers entered in that class and the jump heights specified. Handlers with multiple dogs may request to walk with an alternate height group if a conflict is expected.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. Dogs are judged in the order posted on the ringside running order. Changes in that order may be approved by the gate steward (when delegated authority by the judge) prior to the start of the class. Handlers are required to see the gate steward if requesting a change as allowed in the AKC trial regulations. Please don't change the order without express permission! FEO is allowed in all classes.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Ribbons, Awards and Prizes

Ribbons will be awarded in each jump height division in each class as follows:

<i>First Place</i>	<i>Blue</i>	<i>Third Place</i>	<i>Yellow</i>
<i>Second Place</i>	<i>Red</i>	<i>Fourth Place</i>	<i>White</i>
<i>Qualifying Score</i>	<i>Dark Green</i>		

A New Title rosette will be awarded to all dog and handler teams finishing a title. A MACH/PACH rosette and decorated MACH/PACH bar will be awarded to all dog and handler teams that attain their MACH/PACH.

IMPORTANT: If you are close to earning a MACH or PACH award, please let the appropriate TRIAL CHAIRS know so that the clubs are prepared to celebrate with you.

Ribbons for ISC Classes

Ribbons will not be available for ISC at this trial.

Notice to Exhibitors

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor who themselves or whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. **This includes dogs harassing livestock on YDS property or adjacent properties.** The Beartooth Agility Club of Montana, the Trial Secretary and the property Yellowstone Dog Sports and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The clubs reserve the right to decline entries for cause and may remove any dog on account of aggression or any exhibitor if considered necessary by the club or clubs. No one shall have any recourse or claim against the Beartooth Agility Club of Montana, the Trial Secretary or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

Purpose:

The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility:

This class is open to dogs that are eligible to compete in AKC agility trials.

Who can enter ISC? Anyone who wants to try it. There are no restrictions on what levels you enter in ISC and how many classes you enter on a single day. If you want to enter all Agility 1, Agility 2, Agility 3, Jumping 1, Jumping 2 and Jumping 3 you can.

•Does my dog have to jump at international jump heights? No, you can enter your dog in regular or preferred at the height they normally jump in AKC

•Can I train in the ring? Yes. At an ISC only event, you can run each class as FEO (For Exhibition Only), just as you can with JWW, Standard, T2B and FAST in regular AKC trials. You may also use Fix and Go On in each class, just as you can in all other AKC classes.

•How do ISC courses compare with other AKC courses? ISC courses generally have more space between obstacles than other AKC courses. Most ISC courses designed by FCI judges have really nice flow for the dogs but can be challenging for the handlers. In general, ISC level 1 courses Agility 1 and lumping have about the same level of difficulty as AKC Open courses. ISC level 2 courses (Agility 2 and Jumping 2) have about the same difficulty as AKC Ex/ Master courses but may include some Premier elements. In general, ISC level 3 courses (Agility 3 and Jumping 3) are more difficult than courses offered in regular AKC trials.

•How is ISC judged? ISC is judged using FCI rules. A summary of the scoring system is included in Chapter 14 or the "AKC Regulations for Agility Trials, NonRegular Agility Classes International Sweepstakes Class".

•How are the runs scored? Faults, then time
